

RFID Tag Readers

RFID Tag Readers

Agrident:

Agrident AWR 100/200 Stick Reader

- ISO compliant
- 2 line display
- Red/green read indicator
- 2 power options for read distance and battery life
- 5,000 read memory capacity
- Bluetooth on AWR 200

Agrident APR 450/480 Handheld and Reader

- ISO compliant
- Keypad for data entry
- RFID and barcode reader
- 5,000 read memory capacity
- Bluetooth on APR 480

Agrident AIR 100/200

- ISO compliant
- Not a stand-alone system, meant for use with Workabout Pro handheld device
- Handheld has Bluetooth, WLAN capabilities

Visit Agrident's Website at:

<http://www.agrident.com/>

I.D.ology:

I.D.ology LightningROD tag reader

- ISO compliant
- 2 line display
- Bluetooth compatible
- Light and vibrating read notification
- 3,000 read memory capacity

Visit I.D.-ology's Website at:

<http://www.id-ology.com/ITEMSR.html>

RFID Tag Readers

RFID Tag Readers

Allflex:

Allflex RS250 stick reader

- ISO compliant
- 3,000 read memory capacity
- Transmit to computer via cable
- Green light/noise read notification
- 2 line display

Allflex RS320 stick reader

- ISO compliant
- 2 stick lengths available
- Can be used without power cord
- Can be converted to Bluetooth
- 3,000 read memory capacity
- Light and noise read notification

Visit Allflex's Website at:

<http://www.allflexusa.com/eid/readers.php>

Destron Fearing:

Destron Fearing DTR 4 stick reader

- ISO compliant
- Reads body temperature when used with Bio-Thermo LifeChip tags
- 2,000 read/temp memory capacity
- Bluetooth and USB connectivity
- Light and vibrating read notification

Visit Destron Fearing's Website at:

<http://www.destronfearing.com/cattle.php>

RFID Tag Readers

RFID Tag Readers

Tags4AllGlobal:

Tags4AllGlobal HHR 3000 Pro

- ISO compliant
- USB and optional Bluetooth connectivity
- 1,000s read memory capacity
- Sound and light read notification
- Water resistant

Tags4AllGlobal T4S2000

- ISO compliant
- Cable or optional Bluetooth connectivity
- Lightweight
- 800 read memory capacity

Visit Tags4AllGlobal's Website at:

<http://www.tags4allglobal.net/hhr3000pro.html>

Y-TEX:

Y-TEX Bluetooth RFID reader

- ISO compliant
- Optional Bluetooth or serial port connectivity
- 10,000 read memory capacity
- Light and noise read notification.

Visit Y-TEX's Website at:

<http://www.y-tex.com/electronic.html>

EIDAP, Inc:

EIDAP Inc. Workabout Pro RFID Cattle Reader

- ISO compliant
- Handheld computer
- Touchscreen
- Syncs with PC
- Bluetooth optional

Visit EIDAP Inc.'s Website at:

<http://www.eidap.com/cattle.asp>

RFID Tag Readers

Syscan-ID:

Syscan-ID LiveTrack Reader

- ISO compliant
- Cable or optional Bluetooth connectivity
- 15,000 read memory capacity
- Vibration and sound read notification
- Water resistant

Visit Syscan-ID's Website at:

<http://www.syscan.com/en/products/animal-id.php>

Tru-Test:

Tru-Test XRS EID Stick Reader

- ISO compliant
- RS232 and Bluetooth connectivity
- 20,000s read memory capacity
- Sound, vibrate and light read notification
- Pre-Programmable with alerts for up to 10,000 animals

Visit Tru-Test Website at:

<http://www.tru-test.com/>

Note: This is not a comprehensive list, but is intended as a starting point for producers researching RFID reader technology.

Some other good research resources include:
